

## LEEANNE CARDOZA

### Principal | Client Accounting Services

---

As Principal and co-leader of Grimbleby Coleman Advisors & Accountants Client Accounting Services Department, LeeAnne combines strategic financial expertise with a genuine passion for helping businesses grow. Since beginning her accounting career in 2010 and joining Grimbleby Coleman in 2014, she has built a reputation for transforming financial data into meaningful business insights that drive confident decision-making. LeeAnne is known for developing high-performing teams, elevating client service, and implementing technology-forward solutions that streamline workflows, modernize accounting processes, and create lasting operational efficiencies.

LeeAnne takes great pride in serving the businesses that strengthen local communities. Her work is rooted in building trusted relationships and helping business owners gain timely, accurate financial reporting that supports stronger operations and improved profitability.

### INDUSTRY EXPERIENCE

While her experience spans agriculture, manufacturing, construction and real estate, non-profit, and retail, her deepest expertise lies in the agricultural industry. Having grown up in a multigenerational ag family business, LeeAnne brings a firsthand understanding of the challenges and opportunities facing family-owned farms and agribusinesses, allowing her to deliver practical financial guidance with both insight and authenticity.

### EDUCATION & CERTIFICATIONS

- Bachelor of Science in Accounting, DeVry University
