

## YAJAIRA CHAVEZ, MBA

Manager | Client Accounting Services

---

Yajaira Chavez, MBA, joined the Grimbleby Coleman team in 2018. Her four years working in private accounting allowed her to fit perfectly into our Client Accounting Services (CAS) team, which serves a diverse range of industries. Yajaira's analytical skills and keen eye for detail have contributed to her success in assisting clients to streamline their accounting practices. Whether it's optimizing accounts, implementing efficient programs, or setting up best practices, Yajaira thrives in helping clients take control and approaches every client with a commitment to providing excellent service.

### INDUSTRY EXPERIENCE

With over a decade of accounting experience, Yajaira is a seasoned accountant and a member of our construction niche. Within the team, she puts her talents to work, coaching and mentoring newer team members. Yajaira's broad range of accounting expertise includes strong proficiency in accounting, QuickBooks, financial statement preparation, and payroll.
